E D U C A T I O N

FUUAST

2019 - 2022

Bachelors in studies

Web Developer

Microverse

2022

Spent 1300+ hours mastering data structures, and full-stack developing projects with JavaScript, React, and Redux.
Developed skills in remote pair-programming using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers.

P R O F I L E

Hello, my name is Saifullah. I was a full-time student in Microverse, a remote global development software school. that challenges me every day with real- world projects and teamwork through pair programming.

W O R K   E X P E R I E N C E
